Our Resurrection Celebration was April 13<sup>th</sup>. We served 203 families with the Gospel and a gift of items donated by our churches. The totes this year were filled with new towels, cleaning supplies, and personal items. We are very thankful for the churches that have been so faithful in supplying the items needed for this celebration. This event has turned out to be very helpful to the clients. These totes are highly appreciated when finances are tight. These are items unavailable for purchase with Food Stamps.

Seasonal clothing items are still being accepted along with food and other essential items like furniture, appliances, household necessities, and cooking items. Thank you very much and we appreciate the donations. Our workload is still very heavy and new clients are coming every day. Please do not be offended if we turn away items that we do not consider a necessity.

Please also consider monetary donations as well. Costs are higher and we are trying to be the best stewards we can be with the money we receive. We are always in need of toiletry items and cleaning supplies as well. Thanks for your prayers as we continue to spread God's word and much needed food, clothing, and supplies.

#### Upcoming Events

Our back to school backpack drive will not be held this year due to the large number of organizations distributing school supplies. We are trying to determine how to best help our needy children and the school systems in Blount County.

## CAMP TIPTON

. The summer is halfway over, so it's time for the midsummer update! This has been a great camp season so far, with registration up across the board. The online registration system has made it easier to get signed up, which paired with an ever-improving program means that more and more kids are able to participate. At the end of June we are over halfway done with the program, and we know God has much more in store for our kids and counselors.

We have just completed our second annual overnight week at Camp Tipton, and it was a great success. Overnight week is our best opportunity for the gospel to be shared with the kids at Camp Tipton, as we have a full worship service with the kids every night. The theme for the sermons focused on the Prodigal Son. Each of our kids heard a clear presentation of the gospel, and God worked in a mighty way amongst the kids and counselors. This is why we do what we do!

So far we have had three mission teams, and each team has been able to help camp in a variety of ways. We have been constantly working on updating our facilities, and the progress is evident. Make sure your church signs up for a picnic in our pavilion (remember, it is free twice a year for CBA churches!) so that you can see the finished product. The bathrooms have been updated, it has received a new paint job, the floors have been refinished, and more. It doesn't look like the same facility!

Continue praying for our ministry here at Camp Tipton. As the summer comes to a close, both staff and campers begin to grow tired. Pray that we would have the strength to finish the work that God has laid out for us. Also pray that God will give us more gospel opportunities and that we would have the chance to link up families in our program without a church home to one of our faithful churches in the association.

## CHARM

Summer missions in 5 campgrounds has started. Memorial Day weekend and week started with a team of 30 from MountainTown Baptist Church Ellijay, Georgia ministering in 2 campgrounds and serving Townsend in Upside Ministries. We have teams scheduled thru the summer and already booking teams for 2010. God is good..Blessed to have new teams ministering with us this year.

The Motel Ministry with Kathy Myers and Pat Flynn continue each Sunday. We have had teams ministering to the motel employees and the employees always enjoy that. Let us give you something to think about..when you travel why not leave a note in your motel or hotel room for those cleaning your room. Thank someone for serving you although they are an employee of the place you are staying. Show the love of Jesus thru acts of kindness. Many employees do not know the Lord and this is a great way to share the Lord.

Recently during the Upside Down ice cream/window washing at IGA Bibles and books were handed out. We encourage teams to bring biblical literature, bibles, etc to give away to share with others. On one occasion a young man was ask if he wanted a bible. He was very eager to get his own bible and shared that with the young man who was with him. Another young man was offered the New Testament but ask for the "whole" bible. He also was eager and happy to get his own bible. What a blessing to share God's word to the people who desire the Bible. We are so thankful for a couple of churches in the Chilhowee Baptist Association who donate books to be given out during the year. If you or your church would like to donate new Christian children, youth or adult books we would love to have them. Also you can take them to the Baptist Association on Lincoln Road or call Steve Monroe at 865-385-4968.

Charm continues to have computer classes in the Charm BackCountry building two days a week and 2 days a week for the HiSet (formerly GED) classes. Our teaching volunteers continue to work during the summer with one student and we have another student signed up this fall. God placed this ministry on Kathy Myers heart and she has followed HIS will. The Lord is blessing Charm Ministries daily with ways to use the BackCountry in Ministry.

As we minister this summer in 4 campgrounds on Sundays this summer please remember our Chaplains as they deliver the word of God. Roy Gose at Big Meadow, David Ricketts at KOA, Steve Myers at Little Arrow and Steve Monroe at the Mountaineer. Please do not forget Kathy and Pat as they minister to motel workers on Sundays also.

We have been asked if any churches in the Chilhowee Baptist Association partner with us by sending teams to minister in Townsend. We would love to say yes but so far we do not have a team from a local church in Blount County. Won't you come and be apart? We can always use weekend teams in the fall and that would be a great way for a Sunday School Class, Youth Group or Mission Group to minister to those that live work and play in Townsend. Check out the CHARM Facebook page to see all the activities that is going on and mark your calendars for next summer to be a part of Charm Ministries.

Blessings,

Steve and Sandra Monroe
