

## **Part-Time Pianist Ministry Opportunity**

Our church family is prayerfully seeking a pianist to join our worship ministry. This part-time position is a paid position and will typically involve participation in worship services and weekly rehearsals, approximately two days per week. We are blessed to have a blended worship style that includes both beloved traditional hymns and contemporary worship music.

We are looking for someone who not only has musical ability but also a heart for worship and a desire to use their gifts to glorify God and serve His church. The pianist will work with our Worship Leader, and alongside our worship team to help lead the congregation into meaningful worship each week.

As our music ministry continues to grow, there may also be opportunities to assist more in the future.

### Qualifications:

- Proficiency in piano performance and accompaniment and can play by sheet music or chord chart
- Ability to work with vocalists and musicians
- Dependable, teachable, and team-oriented
- Appreciation for both traditional and contemporary worship music
- A desire to use musical gifts in service to the Lord

If you feel called to serve through music and would like to learn more about this opportunity, we would love to hear from you.

"Sing unto the Lord a new song; sing unto the Lord, all the earth." – Psalm 96:1
